The Monterey Junior Tennis Association (MJTA) is a non-profit organization whose mission is to introduce the game of tennis to young people who live and attend school in Monterey County and provide opportunities to advance their tennis skills in order to build healthy bodies and minds, expand opportunities for higher education, and provide a foundation for success in life. The MJTA is a member of the USTA and USTA Community Tennis Association.

By completing and signing this application, I authorize my child to participate as a member of the MJTA. By providing an e-mail address, I authorize the MJTA to communicate with me about my child's membership, member events, and member offers. Member activities and events will be posted on the MJTA website, "www.MontereyJTA.org". Member and parent are responsible for following the instructions posted on the website in order to participate in any member activities or benefits.

By signing below, I authorize and give permission to the MJTA and persons associated with MJTA, while my child is engaged in a MJTA sponsored event, in the absence of a family member, at my expense, to present my child to either a hospital; family physician; or any licensed doctor of medicine for emergency treatment deemed necessary as a result of injuries or illness during a MJTA sponsored event, function or outing.

To the extent permitted by law, I agree to protect, indemnify, defend and hold harmless the MJTA, any entity, organization, company or person providing facilities, services or merchandise in connection with a MJTA event, function or outing (including those coordinated, sponsored or supervised by the MJTA), each of their respective employees, officers, directors, agents and representatives, from and against any and all claims, liability, damages, losses to persons or property, judgements, liens, costs and expenses (including all attorneys' fees, costs and disbursements) arising out of or in connection with member's participation or involvement in such MJTA events, functions or outings.

A benefit of membership is having access to the member list so those junior members with similar skill levels may contact one another to arrange tennis playtime. Member list information is strictly confidential. Member and I agree not to copy or circulate member lists, contact information or passwords with anyone. Unless my preference is indicated below, I authorize MJTA to share contact information, including your telephone number and e-mail address with other members, on the MJTA protected website (password required to access member lists and restricted to members only).
